NEW POLICY RE: CLASS SUPPLIES

To ease confusion for beginning artists, all materials will be provided for the first two class meetings of all adult, **Beginner-level classes**. These classes will be noted in the class description with "Some supplies included." Students in beginner-level classes will be given guidance during their first class meeting on which supplies to purchase for the remainder of the season. Adult students in **Intermediate- or Advanced-level classes**, or any class without the notation listed above, are expected to purchase all supplies on their class supply list and bring those supplies to the first class meeting.

Some workshops require **unconventional materials** (non-art materials, household objects, etc.). Most items can be found easily; however, if you have any difficulty obtaining these materials, do contact the School Office who may be able to recommend an alternative option.

A list of **recommended vendors** (online and local brick-and-mortar stores included) is available on our website at <http://www.danforthart.org/studentinfo/>. We do our very best to keep supply costs to a minimum; however, if you are concerned about the materials listed here, do contact the School Office who may be able to recommend a less expensive alternative.
