

Fall 2017 Class Supply List: Creating a Series/ 7FAC39TB (Please see new policy re: class supplies below this list.)

Students should bring materials appropriate for the series of works each person hopes to develop. The instructor will help each student find the mediums, techniques and subject or content they will focus on. Students should come prepared with an idea of what artwork excites them, what materials they would like to use or learn from scratch and what subject matter or non-subject oriented work they hope to create.

NEW POLICY RE: CLASS SUPPLIES

To ease confusion for beginning artists, all materials will be provided for the first two class meetings of all adult, **Beginner-level classes**. These classes will be noted in the class description with "Some supplies included." Students in beginner-level classes will be given guidance during their first class meeting on which supplies to purchase for the remainder of the season. Adult students in **Intermediate- or Advanced-level classes**, or any class without the notation listed above, are expected to purchase all supplies on their class supply list and bring those supplies to the first class meeting.

Some workshops require **unconventional materials** (non-art materials, household objects, etc.). Most items can be found easily; however, if you have any difficulty obtaining these materials, do contact the School Office who may be able to recommend an alternative option.

A list of **recommended vendors** (online and local brick-and-mortar stores included) is available on our website at <http://www.danforthart.org/studentinfo/>. We do our very best to keep supply costs to a minimum; however, if you are concerned about the materials listed here, do contact the School Office who may be able to recommend a less expensive alternative.
